

Technical Data

Dimensions		Temperature		Shelves	
External measurements	W590 x H455 x D555 mm	Number of cooling zones	2 independent temp. zones	Number of shelves	2
Niche measurements	W562-568 x H455 x D555 mm	Thermostat	5-20°C in the upper and lower zone	Material	Wood
Capacity	~22 standard 75 cl bottles	Ambient temperature	16-38°C	Doors	
Weight	32 kg	Defrosting	Automatic	Hinging	Right hinged. Can be reversed
For building in	Yes	Energy		Glass	Hardened safety glass with UV protection
Power cable	2 meters	Consumption	105 kWh/year	Alarm	Yes. Goes off after 30 seconds
Sound		Energy class	G	Ventilation	
Noise level	39 dB	Lighting	LED 4 W	Requires ventilation	Ventilation grille in floor and ceiling plinth
